

Traditional Archers Association Nova Scotia

HONORARY MEMBERSHIP FORM

TAANS is committed to supporting traditional archery as an honorable and enjoyable sport. In an effort to further this goal one archer at a time, TAANS would like to GIFT an honorary membership for one full year, every year, to an archer, who has been put forth by their fellow archers as deserving. Please use this form freely to nominate someone you feel is deserving for whatever the reason; financial need, past support of fellow archers, volunteer recognition, contagious enthusiasm etc. The archer can be novice or experienced, a past member or never a member.
